Picking the Team

Picking the team

How to pick and why

Pick 3 players only because they are good in defence

- One tall
- One fast
- One leader
- One of them must be able to be the goalkeeper in shootout
- Smart, speed, experience, size, teamwork and catching the ball
- Preparation for matches

Options and Rules in Defence

Options and rules in defence

1. Take space and block from the middle
2. Double block
3. 1 or 2 arms in flying block
4. Jump late
5. Take high, take low or take a side
6. Roles for the remaining

Options and rules in defence

1. Fair play and safety for all
2. Pressure out or block
3. Monster block and other traps
4. Not on the opponent but in between
5. Long passes
6. Denmark vs Spain Video

Options and rules in defence

1. Keywords – unpredictable, full pressure, take control, we decide and teamwork
2. Ball on the ground, fingers on the ball, arms in the air, move your feet and take the right chance – Video Spain vs Denmark
3. Be brave and let it be – if you want them to take decisions you must allow it
4. Cooperation with the goalkeeper – angles, pick the shooter....

Options and rules in defence

This is also defence

1. Blocking from the pivot to prevent fast break
2. Get out fast
3. People and staff sitting outside – spot the opportunity – Video Denmark vs Spain
4. Shootout tactic

A Small Plea

A small plea

We have a fairly new sport so we are responsible to explore all corners of our sport – we are the pioneers, so my plea to you is to do so.

Every time there is a championship, I am coming home with something new.

Thank you.
